# FY23 ANNUAL REPORT

March 1, 2024

When we opened our big yellow doors two years ago, we made a promise to be a community resource for ALL children and families. Everyone belongs at the Children's Museum & Theatre of Maine (CMTM).

Together we have kept this promise. Thanks to our outstanding new facility and dedicated team, renowned for their exceptional customer service, our annual attendance has surpassed **2200,000** children and caregivers. This is more than double the number of visitors we welcomed before relocating to Thompson's Point. CMTM now ranks as the 5th most frequented venue and the most visited museum in Maine.

While we celebrate these achievements, we're also mindful of the challenges ahead.

Last year, we welcomed more than **40,000** visitors through free or reduced admission, well exceeding our expectations. Additionally, our various accessibility programs saw increased use:

- Over 4,400 visitors used our Veteran and Active Duty Military discount
- 850 families in need received scholarship memberships
- We subsidized over \$350,000 in free or reduced admission
- 900 people attended free "Play Your Way" sessions for children and families affected by Autism Spectrum Disorder and other sensory challenges

These initiatives are successfully removing barriers for many families, and to continue ensuring all can belong, we need everyone's support now more than ever.

Your contributions and creative partnerships enable us to keep our doors open to every child. Just this past summer, we subsidized over **\$160,000** in admissions in two months alone. We understand the challenges facing many families in Maine, but with continued collaboration, we can uphold our commitment to saying "yes" to all families, thereby breaking down barriers statewide.

Thank you for your unwavering support. Together, I know we can ensure access, inclusion, and joy for all children.

With gratitude,

Julie Butcher Pezzino  
Executive Director | Children's Museum & Theatre of Maine

# ACCESS IN ACTION

Through strategic planning, intentional partnerships, and a **commitment to belonging**, we saw incredible outcomes in our second year at Thompson's Point.

**200,394**  
ANNUAL VISITS

**Impact:** With on-site visitation over 200,000, and over 220,000 total attendees to all programs/events, CMTM is now the most visited museum and rated the 5th most visited venue in the state of Maine.
