

Add some extra fun to your party with a

Private Program

Add one of the following to your party for just \$25:

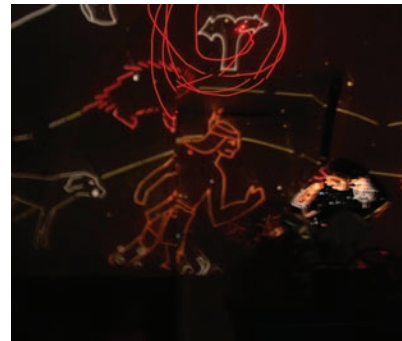

Face Painting

Choose from our fun selection of animals, symbols and more to be painted on your hand or cheek with special non-toxic, watercolor crayons.

Star Show

Explore the stars and constellations. Hear Dine/Navajo, Chinese or Greek tales as you learn the facts and stories that surround the night sky.

Camera Obscura*

This amazing optics exhibit is like being inside of a giant camera - we'll view Portland and beyond from a room with no windows.

**This program requires natural outdoor light and may not be available in the evening during the winter months.*

Touch Tank**

Meet the Museum's saltwater aquarium residents up close and learn about their amazing adaptations to life in the inter-tidal zone.

***Available only for Private Parties*
